PAINTERS

Walsh Painting

617-799-4529

Stephen Walsh, owner

Full service painting company both interior and exterior. Walsh Painting specializes in all staining and refinishing surfaces as well. Stephen wants to remind people that indoor air is three times more polluted than outdoor air, and according to the EPA, is considered one of the top 5 hazards to human health. Paints and finishes are among the leading causes. Feel free to ask him about non- and low-VOC no - off gassing paint alternatives.

PLASTER

Delgado Plastering

617-908-4668

delgadoplastering.com

Carlos Delgado, owner

Whether you are interested in traditional plastering or specialty plastering services, Delgado Plastering has the experience to get the job done on time and give you the look you want. They take pride in their ability to limit the impact their crews have in your environment while achieving the desired result. The following services are currently offered: Traditional Plastering, Venetian Plastering, Tobias Stucco, Exterior Stucco and Blueboard installation. Delgado's crews are masters at the art of plastering. While constantly adapting to innovations in their field, they always strive to apply a blend of old-world traditions and cutting edge products.

PLUMBING

Darb Mechanical Plumbing and Heating, Inc.

978-580-5494

Dave Sullivan, owner

Gregarious Dave Sullivan is the kind of owner who personally oversees and guarantees all installations and work. Serving the greater Boston area since 1989 with services including radiant heat and solar panels as well as high end residential and multi-unit apartments. Custom renovations including hot tubs, spas, steam baths, custom showers with multiple body sprays and hand showers. Water filtration systems assure your family's access to clean pure water.

INSULATION

Pro Insulators, A Division of National Lumber

508-737-9726

national-lumber.com

jscheffler@national-lumber.com

25 Central Street, Berlin, NH 01503

Jay Scheffler, account manager

Insulating homes in eastern Massachusetts for over 25 years. They are experts in all types of insulation; fiberglass batts, blown in fiberglass and cellulose, closed cell and open cell foam. They assess each project to provide the best possible insulation job at the best possible price. They also install seamless aluminum and copper gutters and downspouts.

EXCAVATORS

Dig and Pour

978-490-1075

Al Belanger, owner

All aspects of residential excavations and foundations. Drainage systems including French drains, and septic systems, too. Flat work includes concrete slabs for garages, basement floors, sidewalks and patios. Foundations include full basements, crawl spaces and slab on grade living space for first floor (when there is no basement).
